

CLEAR Health Pass App Walkthrough

Participants, exhibitors, vendors, and speakers must upload proof of vaccine OR provide negative RT-PCR COVID-19 (NAAT) test results by using CLEAR Health Pass, which provides a secure, digital proof of COVID-related health insights via the free CLEAR mobile app. Complete your health screening with Health Pass by CLEAR ahead of time for expedited check-in and entry!

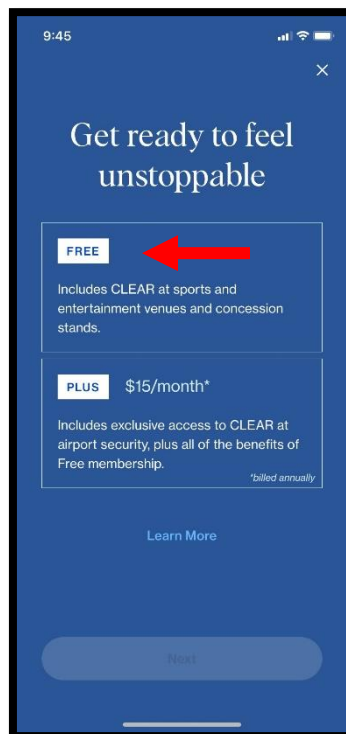

1. To get started, download the **CLEAR Health Pass app**:
 - **App Store:** <https://apps.apple.com/us/app/clear-fast-touchless-access/id1436333504>) or
 - **Google Play:** <https://play.google.com/store/apps/details?id=com.clearme.clearapp>)
2. After downloading, open the app and click on the **Profile** icon in the bottom right corner of the screen.

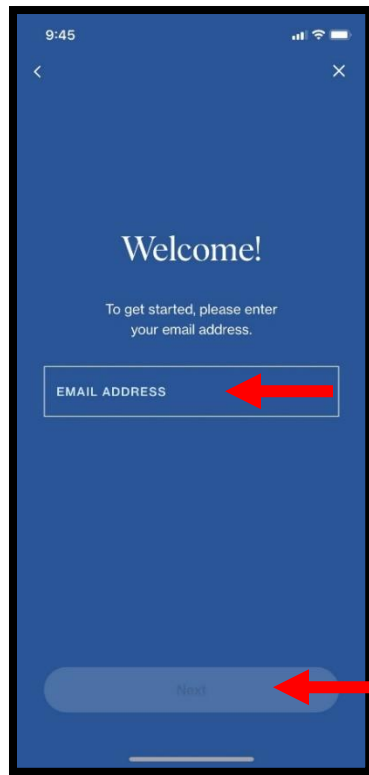

3. You will be brought to a page that says, "Welcome!" at the top. Click on the **Get CLEAR** button.

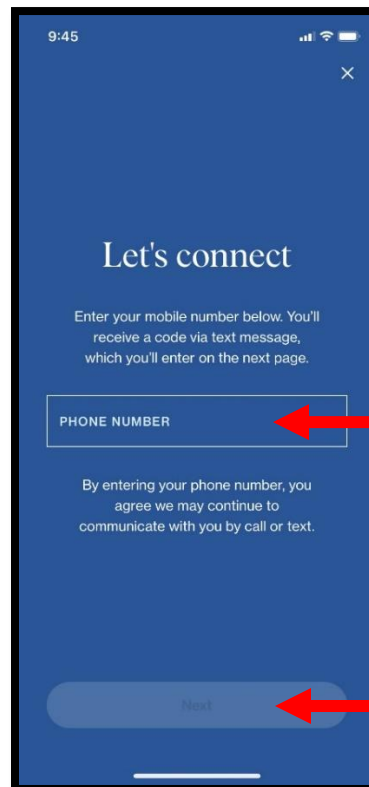

4. You will be prompted to choose the type of account you want. If you want the free version, click **FREE**. If you want the paid version, click **PLUS**. Then click the **Next** button. **Please note that the paid version is optional.**

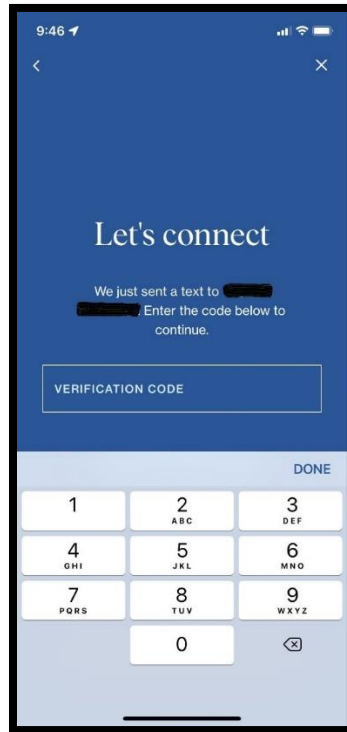

5. Type in your email address and click the **Next** button.

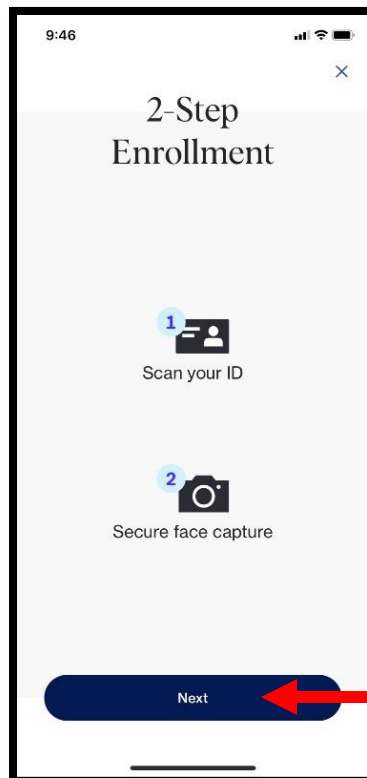

6. Type in your **mobile number** and click the **Next** button.

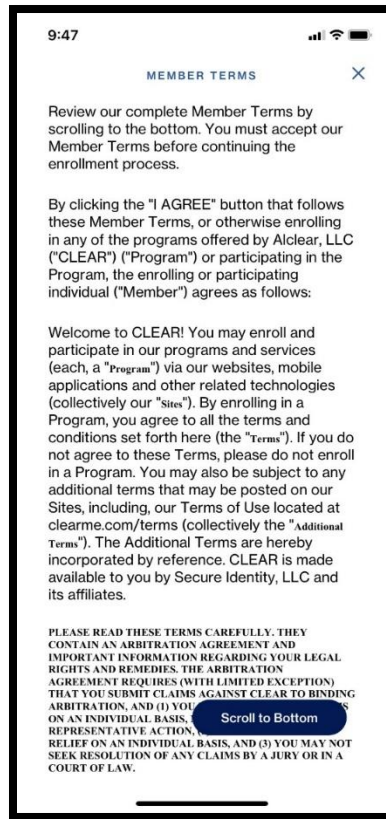

7. You will receive a text message containing a verification code. Type in the code. Click **Done**.

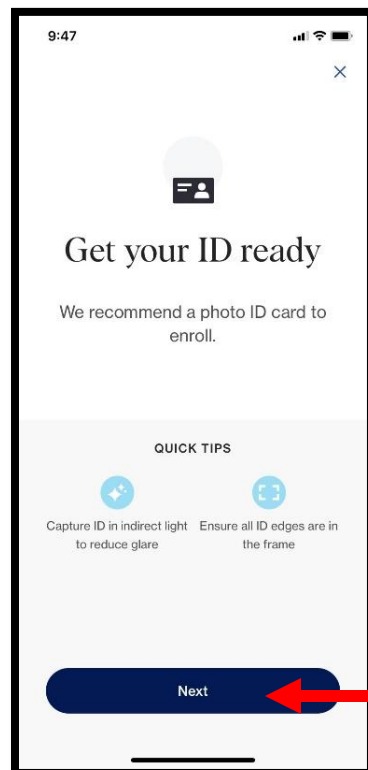

8. You will be brought to the **2-Step Enrollment** page. Click the **Next** button.

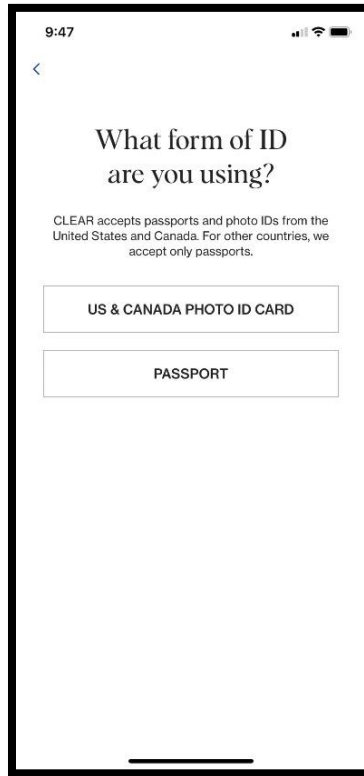

9. Read and accept the **Member Terms**.

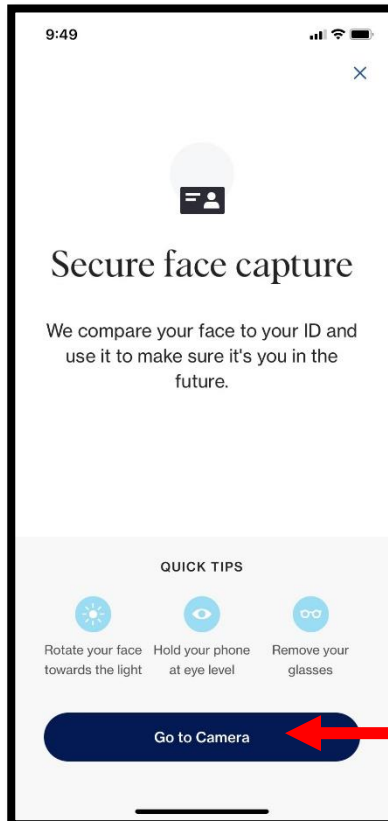

10. Get Your ID card ready! Click the **Next** button.

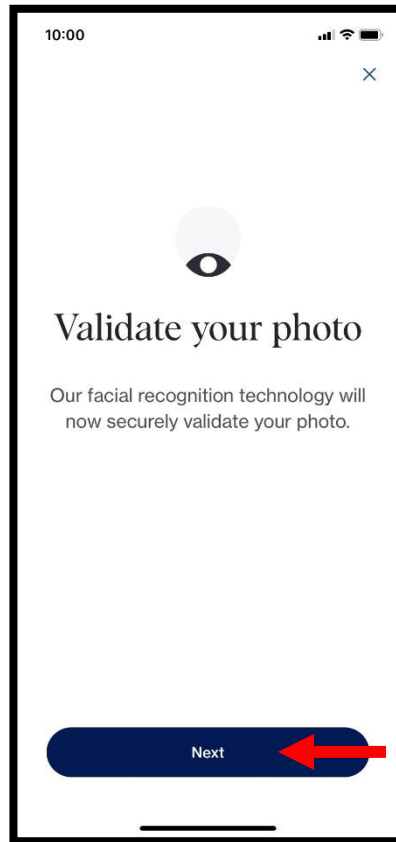

11. Verify the form of ID you'll be using and click the appropriate option. Then follow the prompts.

12. You will be brought to the **Secure face capture** section. Click the **Go to Camera** button and follow the prompts.

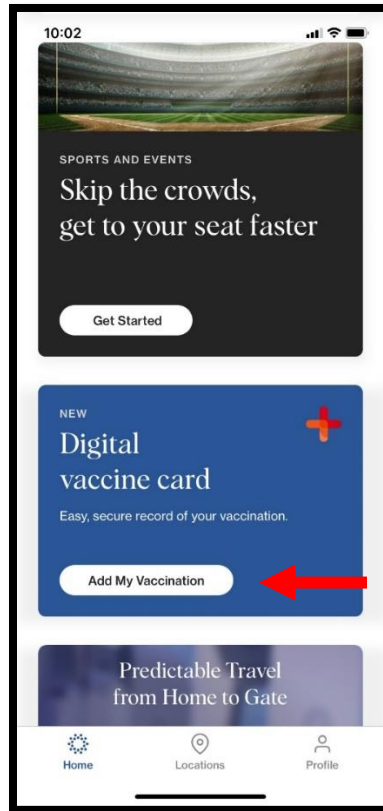

13. You will be brought to the **Validate your photo** section. Click the **Next** button and follow the prompts.

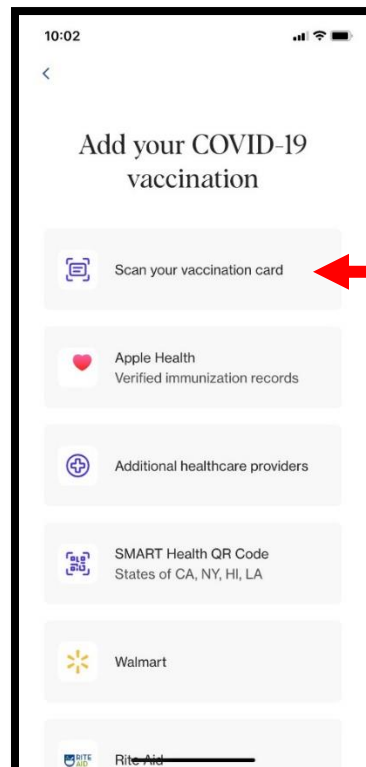

You have successfully created your account!

- If you have opted into providing proof of a negative test, you will submit a **negative RT- PCR COVID-19 (NAAT) test taken within 48 hours before arrival at the course hotel in Atlanta (antigen tests will not be accepted).**
- If you opted into uploading proof of vaccination, follow these additional steps:

14. After creating your account, go back to the home page of the app and find the blue **Digital Vaccine Card** box. Click the white **Add My Vaccination** button.

15. You have many options for adding proof of vaccination. Click on the **Scan Your Vaccination Card** option.

16. Get ready to enter your vaccination info! Choose the appropriate vaccine manufacturer and follow the prompts.

A screenshot of a mobile application interface. At the top, the status bar shows the time 10:03, signal strength, Wi-Fi, and battery icons. Below the status bar is a close button (X). The main heading reads "Enter your vaccination info". A text input field labeled "MANUFACTURER" is highlighted with a red arrow pointing to it from the right. Below the input field is a "DONE" button. At the bottom, a list of vaccine manufacturers is displayed: "Johnson & Johnson's Janssen", "Pfizer-BioNTech", and "Moderna".
