January 11, 2021 (ATLANTA) – The Organization for Safety, Asepsis and Prevention (OSAP) announces Unimed Government Services (UGS) as their newest Super Sponsor. This new sponsorship will assist OSAP in continuing its mission of being the world's leading provider of education that supports safe dental visits.

OSAP Chief Engagement & Development Officer, Andy Whitehead, states, "As a provider of products and end-to-end solutions to government, dental, medical, animal health and first responder personnel, UGS's support of OSAP emphasizes their overall commitment to the education of all those involved with infection prevention to ensure every visit/interaction will be a safe visit/interaction."

OSAP is proud of its super sponsors that generously contribute to The Safest Dental Visit™. OSAP's other super sponsors include:

- Benco Dental Company
- Coltene/SciCan
- Darby Dental Supply
- Dentsply Sirona
- Henry Schein, Inc.
- HuFriedyGroup
- Midmark Corporation
- Pac-Dent International, Inc.
- Patterson Dental Company
- Sterisil, Inc.
- TIDI Products, LLC
- Tuttnauer USA
- Unimed Government Services (UGS)

- Young Innovations

“OSAP has long been one of the most highly regarded stewards of infection control and safety in dental medicine,” said Judith Manchester, CEO for Unimed Government Services, a leading distributor of the world's best dental, medical, and infection control technologies. “We share their vision for every dental visit being a safe visit and are pleased to align around their valuable educational opportunities as a super sponsor.”

### **About OSAP**

The Organization for Safety, Asepsis and Prevention (OSAP) is the only dental membership association solely focused on infection prevention and patient safety education. Our members include individual clinicians, group practices, educators, researchers, consultants, trainers, compliance directors, policymakers, and industry representatives who advocate for safe and infection-free delivery of oral healthcare. OSAP focuses on strategies to improve compliance with safe practices and on building a strong network of recognized infection control experts. OSAP offers an extensive online collection of resources, publications, FAQs, checklists, and toolkits that help dental professionals deliver the Safest Dental Visit™ for their patients. Plus, online and live courses help advance the level of knowledge and skill for every member of the dental team. For additional information, visit [osap.org](http://osap.org).

### **About UGS**

Unimed Government Services' mission is to provide the newest technologies in infection control and equipment to help safeguard the health and well-being of both people and animals. UGS is a leading provider of products and end-to-end solutions to government, dental, medical, and animal health facilities and first responder personnel. UGS has been awarded thousands of government contracts, giving them the distinct privilege of helping to serve active-duty military men and women, their families, and the nation's veterans. UGS' dental commitment ensures safe dental visits and healthy communities.
