

## **My company/employer requires a W-9 from OSAP before they will process payment. How can I get a W-9?**

The appropriate person/department can contact the OSAP Office at [office@osap.org](mailto:office@osap.org) to request a W-9. The request email must include your invoice number. If the invoice number is not available, please confirm whether this request is for membership dues, an event registration, or a store order.
